

SUBJECT LINE: A Few Good Bloggers

Hi fellow bloggers,

My name is Jessica Lawlor and I'm a book blogger and I'm also helping with publicity for Kristin Walker's debut novel *A MATCH MADE IN HIGH SCHOOL*.

Got a couple of hours in the next few weeks? Kristin Walker, author of *A MATCH MADE IN HIGH SCHOOL* is looking for a few good bloggers to get the word out about her debut novel, which will be released on February 4. She has a handful of ARC's left, and would love to send you one. If you think this title is something you'd like to read and review, please respond to this e-mail with your name and mailing address. ARC's won't be available much longer, so if you want one, here's your chance.

If you have questions for Kristin, or would like to talk about hosting an interview or guest blog, please contact me or Kristin directly at kristin@kristin-walker.com. Thanks so much for your time!

All the best,

Jessica
